

Taking extra measures to keep you safe.

Here's what we're doing.

Limiting Patient Companions

To limit the overall traffic in the practice, we are limiting patient companions to only one (1) essential person, if necessary

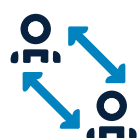

Cleaning Patient Areas

Following CDC guidelines to thoroughly clean all patient areas; removing shared items such as magazines

Screening Patients & Companions

Screening and masking those with respiratory symptoms, or who have been in contact with a confirmed COVID-19 patient

Practicing Social Distancing

Practicing social distancing in patient waiting areas by providing extra space between seats, and separating patients with COVID-19 symptoms

Applying CDC Guidance

Ensuring that all practice staff adhere to our masking policy and CDC-recommended PPE guidelines

Constantly Evaluating Procedures

Constantly evaluating our procedures to ensure they are aligned with CDC guidelines. For more info, please visit our COVID-19 hub on our website

We're still here for you.

And we look forward to seeing you again! Call us today or schedule an appointment online.
